1. Background:

COVR Medical, LLC is a limited liability company, organized under the laws of the state of Minnesota and based in the city of Rochester, Minnesota. The company was formed in collaboration with Mayo Clinic Ventures, a program designed to promote employee entrepreneurship and to support the development of proprietary inventions and technologies that advance patient care.

Dr. Bruce Levy,
CEO & Founder

2. Genesis/Mission:

The company was founded by Dr. Bruce Levy, a Professor of Orthopedic Surgery at the Mayo Clinic of Rochester, MN. As a leading Sport Medicine Surgeon, Dr. Levy recognized that patients were unnecessarily exposed during many medical and surgical procedures and post-procedural care. He set out to raise the standard of care by developing and marketing FDA Class 1 medical garments that cover the patient while still allowing access for Medical Professionals to perform the procedures.
